

Date Received: 22/02/07

Date Completed: 08/03/07

Detail of request:

Please make available structure charts for all departments under IM&T to ensure the productive continuation of our business relationship.

Detail of response:

I have been informed by the Director of Information Management and Technology, that the IM&T Directorate is currently undergoing a consultation for the provision of services, which is not due to end until 2 April 2007. As such any structure will be unknown until the consultation is completed, and therefore currently there are no structure charts I can provide to you.

Additional information:

Details of complaints procedure and Section 50 Decision Notice provided.
