May 2009

Dear Chief Executive,

### PATIENT ENVIRONMENT ACTION TEAM ASSESSMENTS 2009

We are now able to confirm the PEAT results 2009 for environment, food and privacy and dignity for each hospital within your Trust. Note that we do not intend to send copies of your PEAT assessment as you already hold this information locally.

Site Name	Environment Score	Food Score	Privacy & Dignity
King George Hospital	Good	Acceptable	Acceptable
Queen's Hospital	Good	Excellent	Good

The date for national publication of the individual PEAT scores has not yet been confirmed. As in previous years, the results for individual sites will be published on [www.npsa.nhs.uk](http://www.npsa.nhs.uk).

If you have any queries regarding the factual accuracy of your PEAT results, please send these by e-mail to [gemma.ramsay@ic.nhs.uk](mailto:gemma.ramsay@ic.nhs.uk). Queries should identify the Trust, hospital(s) affected and the nature of the enquiry.

Once again – my thanks to you all (and your staff and colleagues) for again making the PEAT programme a continued success.

A review of PEAT will begin in May 2009 and the named PEAT contacts for your trust will be invited to contribute. I will write to you again with details of any changes to be made to the process for 2010.

Yours faithfully

Dr Kevin Cleary  
Medical Director  
NPSA
